

EcoClassic30 53W E27 230V A55 CL 1CT

Popis produktovej skupiny

Energy-saving mains-voltage halogen lamp in classic A shape

Product Features

- Direct retrofit for the corresponding incandescent lamps
- Wide choice of wattages to replace classic incandescent range from 40 W to 200 W
- Available with E27, E14 and B22 caps
- 2000 hours lifetime

Product Benefits

- Sparkling, crisp white halogen light of professional quality
- 30% energy savings compared with classic incandescent lamps
- Creates an attractive ambiance
- Dimmable

Environment

- Excellent environmental choice because of high energy efficiency and long reliable life

Application

- General lighting applications in homes, shops, hotels and restaurants

Luminaires

- Fits the same classic luminaires as the corresponding incandescent lamps
